George Goumenos

• CURRICULUM VITAE | EN

He has been practicing Periodontics and Implantology in Athens since 1992. In 2014, he founded the dental clinic PERIOCARE GOUMENOS L.P., a leading dental unit, implementing the most up-to-date techniques in the field of Periodontics, Esthetic Dentistry and Implantology.
He graduated in 1982 from the Department of Pharmacy and in 1988 from the School of Dentistry of the University of Athens. In 1990 he completed his specialty training in Periodontics and in 1991 he obtained a Master of Science Degree from Tufts University in Boston. In 1996 he was the first periodontist in Greece to obtain the Certificate from the American Board of Periodontology becoming a Diplomate, an extremely significant distinction in the USA, while in 1997 he received his Doctorate Degree from the University of Athens.
From 1991 to date he has been a Clinical Instructor at the School of Dentistry of the University of Athens teaching on a part time basis in the Postgraduate Program of the Department of Periodontics and a Visiting Assistant Professor of Tufts University in Boston. He is a faculty member of GIDE (Global Institute of Dental Education). He has published numerous scientific papers and has participated as a speaker in many seminars in Greece and abroad. He has created two training Curriculums to address the need for continuous dental education and familiarization of dentists with the most up-to-date surgical techniques in soft tissue management and bone surgery.
He is an Opinion Leader for the company HU-FRIEDY, one of the world's highly respected dental instrument manufacturers in the field of Periodontics, having invented a surgical instrument kit for soft tissue management (GOUMENOS SOFT TISSUE SURGERY KIT – GSTSK) and bone management (GOUMENOS OSSEOUS SURGERY KIT – GOSK). He has also designed a surgical osseous burs kit (GOUMENOS OSSEOUS BURS KIT-GOBK) for the company KOMET.
In 2012 he created a Facebook group named PERIOCARE.GR, which is now the oldest online dental group in Greece, aiming to provide a place for dentists to exchange views through posts and Study Clubs, which often include charitable activities.
He served as President of the Association of Greek Periodontists.
Since 1992 he has been practicing Periodontics and Implantology in Athens. In 2014 he founded the dental clinic PERIOCARE GOUMENOS L.P., a leading clinic, which applies the most up-to-date techniques in Periodontics, Esthetic Dentistry and Implantology.
