Maurício Araújo

• CURRICULUM VITAE | EN

2009-2019 Board Member of the Osteology Foundation

DDS, MSc, PhD
Rua Silva Jardim, n.15/ sala 03
CEP 87013-190 Maringá - Paraná
Brazil

Prof. Dr Araújo is a Periodontist working both in private practice Rio de Janeiro and at The State University of Maringa, Parana, Brazil. He completed his PhD at The University of Gothenburg, Sweden in 1998. He is the Chairman of the Perio/Implant Research Unit, State University of Maringá. He has together with his co-workers published groundbreaking research in the fields of ridge alterations following tooth extraction, ridge preservation, bone formation in extraction sockets and immediate implant placement. He is Osteology Foundation Honorary Board member, ITI Fellow, a former ITI Chairman in Brazil and ITI Research committee member. He is member of the editorial board of several journals.
